

CAMBRIDGE COMMON MANAGER

Cambridge Common is a bustling independent restaurant just north of Harvard Square, with a welcoming, energetic vibe, delicious pub food, and 31 beers on tap (emphasizing local breweries). The restaurant is part of a family-owned business, which includes Christopher's, Toad, and Lizard Lounge.

We are looking for the right person to join our team of smart, enthusiastic, and hard-working Managers, who love what they do. We know that our work is most fulfilling when we can be our authentic selves and believe strongly in supporting our team members.

Benefits include:

- A supportive, collaborative work environment
- Competitive salary
- \$10,000 signing bonus
- Paid vacation
- Health, Dental, and Vision Insurance (beginning day 1), with Company funded HRA
- Yearly financial support for student loan payments or continuing education
- Employee dining program

All Cambridge Common managers work together on every aspect of the business, including hiring, training, and inspiring team members; driving service; and opening/closing the restaurant. Management experience is preferred, but if you are a Bartender or Server looking to make the move to Manager, we would love to talk with you!
