

## **CAMBRIDGE COMMON MANAGERS!**

### **WHO WE ARE**

Cambridge Common is an independent restaurant just north of Harvard Square, known for its welcoming & energetic vibe, terrific pub food, and 31 beers on tap, with an emphasis on local breweries (the Boston Globe lists Cambridge Common in its *Top 10 Watering Holes in Boston*). We are also the home of Lizard Lounge, featuring live music seven nights a week (“intimate, eclectic hot spot,” says Rolling Stone). Cambridge Common is currently open for outdoor dining in our 26-table, tented backyard patio and sidewalk patio, with plans to move to indoor dining this summer. Lizard Lounge is temporarily closed, with plans to reopen in the fall.

### **WHAT WE CARE ABOUT**

The Cambridge Common staff is the heart of the restaurant. It is part of our mission to create an environment where people love their work, by nourishing, challenging, supporting, and rewarding. We know that our jobs are most fulfilling when we can be our authentic selves. Our diverse management staff is smart, hard-working, eager to grow, and fun-loving.
